

# Challenges 2019 in Laparoscopy & Robotics

The European Congress of  
Laparoscopy and Robotics 2019

Some of the most prominent Laparoscopic  
Urological Surgeons will perform innovative  
live surgery demonstrating the full spectrum  
of urological procedures.

July 3-4-5 2019

Barcelona, Spain

Crowne Plaza Barcelona - Fira Center

Challenges in  
Laparoscopy & Robotics  
Since 2004 - Vincenzo Pansadoro Foundation

**D**ear Friends and Colleagues,  
It is a great pleasure to welcome you again to Barcelona for the European Meeting on Laparoscopic and Robotic Urologic Surgery.

“Challenges in Laparoscopy and Robotics” has reached the 16th edition and the concept that initiated this adventure is quite alive and shows great potential for the future of Urology. The comprehensive scientific program will include live laparoscopic and robotic surgeries performed by the world’s most prominent urologic surgeons. In the past meetings, we have witnessed many challenging procedures. It is now time to expand our indications and to look forward to new challenges like the Single port trans-perineal prostatectomy, the robotic kidney transplantation in the obese recipient, the buccal mucosal repair for ureteral strictures, the Cava Thrombus in RCC, the IMAGE1 S and the retroperitoneal LND and Partial Nephrectomy.

We are enthusiastically anticipating an extremely stimulating meeting. Live surgery, discussions and thought-provoking debates will take place with the participation of the best urologists in the International arena. There will be two monitors transmitting live different surgeries at the same time. As an innovation this year we have introduced one screen dedicated to a series of 25 rare and difficult surgeries presented by the actual surgeons. The series is entitled "One hour with . . .". Each delegate will be provided with headphones with the possibility to select the preferred moderation.

All questions will be transmitted to the moderators via Twitter or directly via moderators. We are very proud to host this 16th International Meeting again in Barcelona, the perfect city for old antiquities and innovative techniques to convene. All the surgeries will be transmitted live from Fundació Puigvert, one of Europe’s leading centers in Urology.

We hope that the challenging procedures that you will see will lead the way towards defining the future of Urologic Surgery.

Congress Program

# Congress Program

Wednesday July 3rd,  
Thursday July 4th,  
Friday July 5th, 2019

8:00 — 8:30	Welcome
Alberto Breda, Vito Pansadoro	Opening
Joan Palou	Welcome
Manolo Esteban	General Secretary of the AEU
Maria José Ribal	President of the Catalan Society of Urology
Peter Wiklund	Chairman ERUS
Morgan Rouprêt	Chairman ESOU
Evangelos Liatsikos	Chairman ESUT
Jens Uwe Stolzenburg	FU of patients CILR 2018
Francesco Porpiglia	Introduction of CILR 2020
	Presentations
8:30 — 8:45	Inderbir Gill Open vs Robotic Urologic Oncologic Surgery: Meta-Analysis of 104,000 patients
8:45 — 9:00	Michael Stifelman Buccal mucosa for ureteral strictures: Indications technique and results
9:00 — 9:15	Francesco Porpiglia Augmented reality in urology

SURGICAL SESSION 9.00 — 19.00		
MONITOR A	MONITOR B	MONITOR C Semi-live

## Congress Venue

### Crowne Plaza Barcelona Fira Center

Av. Rius i Taulet, 1-3  
E-08004 Barcelona, Spain

## Clothing

During the entire meeting, attire will be informal.

## Climate

The Mediterranean climate is in full swing in July, which means you can expect high temperatures, plenty of sunshine and clear blue skies for most of the month. Barcelona sits on an elevated plateau on Spain's northeast coast. Its position leaves it open to cooling winds from the Atlantic, which can lower temperatures and make the weather much colder at night. Temperatures range from 16°C to daily highs of 24°C. Rain is very rare and Barcelona weather in July is mostly warm, dry and sunny.

# Information

## Liability

CiLR 2019 Secretariat and Organisers cannot accept liability for personal accidents or loss of or damage to private property of participants and accompanying persons. Participants are advised to take out their own personal travel and health insurance for their trip.

## Official Language

The official language of CiLR 2019 is English

## Social media

During the congress we are using social media to encourage an open discussion on urology science and experiences. CiLR congress speakers, opinion leaders, delegates and media share their ideas, commentary and photos on Facebook and Twitter. You can follow CiLR on Facebook via [www.facebook.com/challengesinlaparoscopy](http://www.facebook.com/challengesinlaparoscopy) and on Twitter via @CiLR19. Use #CiLR19 to discuss the Congress, and join the conversation!

## Registration Fee

<b>Full Delegate</b>	On Site Registration	€ 1.168,00
----------------------	----------------------	------------

<b>Emerging Countries</b>	On site Registration	€ 700,00
	Emerging Countries are defined according to the World Bank Country Classification: <a href="http://www.worldbank.org/">www.worldbank.org/</a>	

<b>Trainee/Resident</b>	Onsite Registration	€ 480,00
-------------------------	---------------------	----------

<b>Nurse</b>	Onsite Registration	€ 480,00
	<i>Registration Fee includes</i>	
	Scientific Program, Materials, Coffee breaks and Lunches	

**Cancellation Policy**

REGISTRATION FEE will be refunded in full if written notice cancellation is received by March 4th, 2019

No refund will be given for cancellation received after March 4th, 2019 or if you register but fail to attend

Please send your written cancellation request to **Raffaella Greco**

## IMAGE1 S™ – mORe than a camera

- High resolution camera system for universal use
- Optimal visibility conditions due to enhanced colour space, large depth of field and homogeneous illumination
- Greater richness of detail thanks to 4K resolution and enhanced image data processing
- Perfectly integrated peripheral units ensure the ideal image chain
- Maximum adaptability to all requirements through modular technologies (rigid and flexible endoscopy, 3D, ICG, PDD etc.)
